Economic Club of Dallas Welcomes Mark Wiseman for Conversation on North American Economic Growth

October 16, 2026 | Dallas, Texas

The Economic Club of Dallas welcomed Mark D. Wiseman, Ambassador of Canada to the United States, for a conversation on economic leadership and the future of North American growth.

Drawing on his extensive experience in investment management and senior leadership, Wiseman shared perspectives on the economic landscape and the opportunities and challenges shaping North America's future. The conversation explored the role of business leadership and investment in supporting economic growth across the region.

The event reflected the Club's commitment to convening influential leaders for substantive conversations on the forces shaping business, markets and the broader economy. Held under the Chatham House Rule, Economic Club of Dallas programs encourage candid dialogue and thoughtful discussion among members and distinguished guests.

The Club extends its appreciation to Ambassador Wiseman for sharing his perspective and to the members who participated in the discussion.

About the Economic Club of Dallas

The Economic Club of Dallas connects, informs and empowers global business leaders. Based in one of the nation's fastest-growing economic centers, the Club convenes CEOs, entrepreneurs and influential decision-makers for candid conversations on the forces shaping business, markets and society. Through carefully curated programs and a distinguished membership, the Club fosters the exchange of ideas and relationships among leaders driving economic growth and innovation.
